Priekule church and Ikaris

The legend says that the blacksmith of Priekule manor made wings and flew with them from the church tower. The flight was successful, only the blacksmith was punished for his audacity. Now this man is called Priekule's Ikaris. This image still appears as a symbol in the city environment and at local events.

The Swedish gate in Priekule

During the war, the Swedish Gate was destroyed, then rebuilt and restored. Two threatening stone guards stood in the niches built on both sides of the passageway of Priekule manor gate. There was a belief before World War II – those kissing the gate guard's belly button will be happy in the future.

Lielbāta Spring

Lielbāta's natural spring is the largest in Latvia, which brings biologically active and properly structured water to the surface of the earth from the depths. The spring flows from west to east towards the sun, so it has long been considered magical, even sacred with healing abilities.

Volzbahs

During winter – more than 100 m long downhill ride on skis, snowboard, and a sled. Operating lift in accordance with the weather. During other seasons – a great place to enjoy the scenery and hiking. Place for campfires, walking trail, viewing platforms, gazebo.

Kalēti Forest Park "Priediens"

A perfect place to explore nature. A place for school excursions and a leisure spot for families with children. There are 3 thematic nature trails – a mushroom trail, a plant trail and an animal trail. Explore the diversity of plants and animals that can be met in the Forest Park "Priediens".

Gramzda church

Rebuilt, destroyed, burned and rebuilt several times. The restoration of the church began in 2009. Well, it has been restored again, and the sound of the new church bell again invites the congregation and guests to come, be silent, spend a moment with God.

Embūte Nature Park

It is one of the most beautiful and mysterious places in Kurzeme. You will find highest hill in Kurzeme – Krivu mountain. And the ancient Curonian mound rises in the central part of the ancient valley of Embūte. The Joda dambis has bioenergetic properties, which may have been used to influence weather conditions or ritual processions. Feel the places surrounded by ancient legends!

Dēseles dzirnavas

A quiet haven of peace, where you can refresh your mind and find peace in your heart. Guest house rooms offer a wonderful view of the lake, the river valley and the berry and fruit gardens. Celebrate important life events or spend relaxing holidays with family/friends. Taste berries and fruits form local garden.

Dižozoli

The owners of "Dižozoli" will be happy to help organize attractive and fun sports games for groups, unforgettable birthdays for the smallest vacationers, and also allow nature lovers to enjoy silence and peace. They also offer a moment of health and relaxation in the Dižozoli bee house – it's your chance to feel the healing magic of nature!

Prūšu ūdenskrāve

Relaxation near nature and water. Horse riding and a carriage or sleigh ride in "Stiebrņi". You can even get to know the historical exhibition at the old Paplaka station. In the summer, you can also find peace and relaxation by the water at the "Prūšu ūdenskrāve" campsite.
